China files WTO complaint over US tariffs

Trade Organization complaint on Wednesday against US President Donald Trump's new 10 per cent tariff on Chinese imports and his cancellation of a duty-free exemption for low-value packages, arguing the actions are "protectionist" and break WTO rules. It also sought US trade consultations.

China cries foul over India **limiting DeepSeek**

After several countries, including India, clamped restrictions on officials accessing the newly-released Chinese Al tool DeepSeek, China on Thursday said such actions amounted to politicisation of trade and tech issues and vowed to protect the interests of its firms. PTI

Start-up shut-down slips to 24 in 2024 against 1,702 in 2023

TECH FRENZY. Experts said tech firms attracted most investment during funding surge

Janaki Krishnan

Coming off a tough 2023, which saw shutters going down on a large number of start-ups, the environment has perked up for start-ups and investors with fewer shutdowns, as funding has become more cautious and business models more rational. The prolonged funding winter forced start-ups to reassess their strategies, focusing on sustainable growth and profitability.

Last year saw 24 start-ups shutting down compared to 1,702 companies in 2023, according to Tracxn. Over the last couple of years, consumer tech sector saw the most shutdowns followed by enterprise applications, retail, edtech and healthtech.

Some of the prominent start-ups that have bit the dust are business and financial content platform Stoa, edtech platform BlueLearn, Saas-based software suite for

BITING THE DUST. Curtains fell on prominent start-ups like Stoa, edtech platform BlueLearn, Gold Setu, tax-filing platform Makemyreturn.com and microblogging platform Koo

jewellery stores Gold Setu, online tax-filing platform Makemyreturn.com and microblogging platform Koo.

Many of these ventures, founded during the years 2020-2021, closed down despite receiving several rounds of funding worth several millions of dollars and being backed by well-known in-

FUNDING BOOM

The funding boom of 2020-2021 that saw start-ups with unsustainable business models mushroom, was followed by the funding winter which forced start-ups to reassess their strategies, said Nidhi Killawala, Partner at law firm

Khaitan & Co.

"Funding winter is a reality check that brought back the focus on fundamentals like unit economics and profitability for start-ups. Investors became more cautious following high-profile start-up failures, which faced significant financial and legal

challenges," she said. During Covid, investors with too much liquidity were chasing entrepreneurs with start-up ideas. "Companies benefited from the whole idea that tech can pretty much do everything because manufacturing stopped," said Gautam Singh, Partner, Corporate Practice at Trilegal.

The sanity in the start-up ecosystem was brought about partly by the funding frenzy being choked off and partly "because people started enforcing maturity on the start-up ecosystem," said Singh. He pointed out that valuation have corrected to a significant extent and consolidation has emerged out of the failed start-ups, as well as better business models and efficiency.

Both Singh and Killawala said during the funding surge it was the tech and tech-enabled companies that attracmost investments and "therefore, it is unsurprising that many shutdowns are occurring within the same sector," Killawala said.

Most top influencers fail to meet disclosure guidelines: ASCI study

Meenakshi Verma Ambwani New Delhi

A large chunk of top digital influencers with a large follower base were found to be non-compliant with mandatory promotion-related disclosures. A study by the Advertising Standards Council of India (ASCI) has shown that 69 per cent of the top 100 digital influencers failed to meet the guidelines for influencers on social media.

The Central Consumer Protection Authority and the self-regulatory organisation ASCI guidelines state that "prominent" and "hard-tomiss disclosures" such as #collaboration or #paidpartnership are mandatory for influencers for promotional posts. ASCI said that over 110

million social media users were exposed to undisclosed brand promotions due to digital influencers' non-compliance. "Of the 100 posts scrutinised, 29 per cent carried adequate disclosures; 2 per cent of the cases were dismissed as influencers were able to provide evid-

ence. In 69 per cent of the cases, non-disclosure violations were confirmed," it added. In fact, fashion and lifestyle, telecom products and personal care sectors have emerged as the top three violators and accounted for 62 per cent of the violations.

'DISAPPOINTING RATE' Manisha Kapoor, CEO & Secretary-General, ASCI, said that while 56.8 per cent of the violations pertained to absence of the disclosure label, 43.2 per cent cases pertained to disclosures being buried in hashtags and not being prominently displayed as required.

"This shows that even top influencers have a disappointing rate of adherence to

Of the 100 posts scrutinised, 29% had disclosures;

2% of the cases were dismissed as influencers provided evidence

the principles of transparency and audience trust.

There is an urgent need for agencies, influencers, and brands to take note of this and course correct. With influencer advertising attracting mainstream advertising budgets, it is concerning to note the failure of this ecosystem to get its act together in building a mindset of responsibility and compliance," Kapoor said.

In 59 of the 69 cases, noncompliant influencers agreed to correct their posts without contest, 4 agreed to correct after jury recommendations, and 5 were escalated to the Ministry of Information & Broadcasting, ASCI noted. Overall, 93 per cent of investigated influencers complied with ASCI recommendations after intervention, it added.

Boeing sees commercial aircraft fleet growing to 2,835 by 2043

Rohit Vaid

Global aerospace major Boeing on Thursday predicted that South Asia's commercial aircraft fleet will grow nearly four-fold over the next 20 years to 2,835, propelled by the demand from India-based airlines.

Accordingly, 90 per cent or over 2,500 aircraft are expected to be delivered to Indiabased airlines in the next 20

India has over 800 commercial aircraft; on the other hand, there are around 1,700 more on order. These orders are expected to be delivered beyond 2030.

As per Boeing's current Commercial Market Out-(CMO), continued growth will be fuelled by greater demand and a rise in the region's air traffic, which will grow more than 7 per driven by sustained economic growth, improved connectivity, and policies that support air travel liberalisation.

The CMO cited that domestic air traffic is expected

SPREADING WINGS India has over 800 commercial aircraft PTI

to remain the largest and fastest-growing segment in India's travel market, enabled by further low-cost carrier expansion and network diversification.

DOMESTIC DEMAND

"The India and South Asia region continues to be the fastest-growing commercial aviation market due to strong economic and trade growth," said Ashwin Naidu, Boeing's Managing Marketing for India and

CMO pointed out that fuel-efficient single-aisle aeroplanes, such as the 737 MAX, will account for nearly nine out of 10 commercial jet deliveries in the forecast period (2024-2043) to 2,445 aircraft.

Besides, the region's widebody fleet will quadruple to 370 aircraft as carriers leverage aeroplanes like the 787 Dreamliner and 777X to further develop long-haul networks, particularly from India to North America. Furthermore, the CMO forecasts that India and South Asia's cargo freighter fleet, including new and converted 20 as the region expands its role in global supply chains, advanced manufacturing, and e-commerce. The demand for pilots, cabin crew, and technicians will quadruple to 1,29,000.

Akasa Air raises ₹1,100 crore, Premji, Pai check in

Our Bureau

Akasa Air is raising around ₹1,100 crore from investment offices of Azim Premji and Dr Ranjan Pai, as well as funds managed by 360 ONE Asset to support its operations and prepare for growth.

The family of late Rakesh Jhunjhunwala, original investor in the airline, is also committing fresh funds. Akasa Air announced the

signing of investment agreements on Thursday. The airline did not disclose an investment figure and sources said around ₹1,100 crore is being raised through share sale. The investment will be subject to Competition Commission of India approval. New investors will get two board seats in the airfunds raised will fuel Akasa Air's path to becoming one of the top 30 airlines in the world by the end of this decade. Additionally, the fresh funds will also support its operations.

Furry friends take off; Air India plans policy tweaks

Akasa Air and Air India see jump in bookings after launching pet travel facility

Aneesh Phadnis

Eva, a one-year-old mixed breed received celebrity-like when she landed in Kochi airport last November she was Kerala's first directly-imported pet. Two months later, over 20 dogs and cats have flown into the State from overseas as pet parents take advantage of the new facility at the Kochi airport. It plans to expand its pet facilities to meet "increasing demand" and look at handling bird movement.

Kochi airport's move is in sync with the growing trend among businesses to turn pet friendly. Last September, Uber launched its petfriendly ride options for its customers. Several five-star hotels and retreats already allow guests to check in with their pets and now air-

WINGING THEIR WAY

Take Akasa Air, which launched its pet travel facility in November 2022 and

After launching its pet travel facility in 2022, Akasa Air has flown over 5,300 cats and dogs on domestic routes.

since then has flown over 5,300 cats and dogs on domestic routes. The airline says that after it decided to allow pets weighing up to 10 kg inside the cabin from May, it has seen a growth in demand. In the past eight months alone, Akasa Air has carried 2,100 pets. Dogs accounted for 66 per cent of flown pets. Bengaluru contributed to 31 per cent of all pets flown, Akasa Air said.

Akasa Air and Air India are the only domestic airlines currently offering pet 7,000 pets in 2024 but saw a jump in bookings towards the year-end. Compared to the 429 cats and dogs that were flown in February 2024, the airline carried 861

in December. "We are planning to update our policy and make it more streamlined and customer friendly," Air India added.

The airline assigns passengers with pets the last row of the cabin class. In an all-economy class aircraft, passengers with pets will be seated at least five rows apart with one of them occupying the last row. Pets are not allowed to occupy seats even if these are vacant, Air India said.

In Akasa Air, passengers window seat on specific rows. "If a co-passenger is uncomfortable... we reassign the passenger travelling with their pet to a different seat," the airline

said.Akasa Air allows only two pets on a flight (one in cabin and other in cargo hold) and charges a flat ₹7,500-15,000 fee depending on their weight. Air India allows two pets in the cabin on a flight.

LIMITED SPACE

What are the chances that there may be demand for over two pets on a flight? Well, it does happen. Kolkata resident Arundhati Rakshit was forced to alter her travel plans as another pet was checked in before her in economy class. The airline asked her to upgrade to business class or reschedule. Rakshit, who travels with her cat at least four times a year, feels there should be more seats for pets. "Pet transportation is not yet a priority business for airlines," said Vinavak Prabhu, co-founder of Furry Flyers, a pet reloca tion agency.

"Airlines and airports need to invest in specialised staff and facilities to take care of pets but we see that lacking in India," he added.

IndiGo inks pact with Norse Atlantic for Boeing 787-9 lease

Rohit Vaid New Delhi

To start long-haul commercial operations, airline major IndiGo on Thursday said that it has entered into an agreement with Norse Atlantic Airways for damp lease (leased aircraft accompanied by crew) of one Boeing 787-9 aircraft.

Accordingly, the aircraft will be arriving in India in the next few weeks and is expected to start operations in March 2025. The airline said that this partnership underscores IndiGo's strategic efforts to expand its geographic reach and provide its customers with more options for international travel.

Industry sources told businessline that the airline will deploy the Boeing 787-9 aircraft to open new international routes and support direct connectivity, while the Airbus XLRs, which are also expected to join its fleet this year, will be the main stay of its long-haul operations.

For ultra-long-haul operations, IndiGo has placed a firm order for 30 Airbus 350-900 wide-body aircraft with an option for an additional 70 aircraft, whose deliveries are expected to commence from 2027.

EUROPE DEBUT

It is widely speculated the airline will launch long-haul international operations to Europe in this year's summer season utilising the 787-9 aircraft.

"As part of our broader strategy to significantly expand our international network, we are pleased to confirm this damp lease of one Boeing 787-9 aircraft from Norse Atlantic Airways," IndiGo's Chief Executive Pieter Elbers said in a statement. "Our vision is to transform into a global player by 2030." As per the airline, the initial term of the agreement is six months, extendable to up to 18 months, subject to regulatory approvals.

'डबल इंजिन'ला सुप्रीम) कोर्टाचा

ओडीपी फ्रेमवर्क प्रभावीपणे कोसळला. त्यानंतर २२ डिसेंबर २०२२ रोजी जारी केलेल्या परिपत्रकात ओडीपी सक्रिय ठेवण्याचे आवाहन करण्यात आले होते परंतू उच्च न्यायालयाने त्याला स्थगिती दिली. त्यानंतर सरकारने न्यायालयाच्या स्थगितीला बगल देण्यासाठी अध्यादेश काढला, ज्यामूळे गोवा फाउंडेशनने आणखी एक आव्हान दिले. २ मे २०२४ रोजी उच्च न्यायालयाने अध्यादेशाला स्थगिती दिली आणि ओडीपीचे कामकाज थांबवले.सरकारने मे २०२४ मध्ये सर्वोच्च न्यायालयात धाव घेतली, ज्यामळे सर्वोच्च न्यायालयाने उच न्यायालयाच्या आदेशाला स्थिगती दिल्याने तात्पुरता दिलासा मिळाला. तथापि, सर्वोच्च न्यायालयाने स्पष्ट केले की ओडीपी अंतर्गत कोणतेही बांधकाम उच्च न्यायालयाच्या अंतिम निकालाच्या अधीन असेल. ज्यामुळे पाच गावांमध्ये पुढील झोनिंग बदलांवर बंदी घालण्यात आली. असे असूनही, गोवा फाउंडेशनला असे आढळून आले की टाउन अँड कंट्री प्लॅनिंग (टीसीपी) विभाग ओडीपी क्षेत्रात बांधकाम परवाने जारी करत आहे. एनजीओने न्यायालयीन हस्तक्षेप केला, ज्यामुळे उच न्यायालयाने २३ जानेवारी २०२५ रोजी बांधकाम स्थगित करण्याचा आदेश दिला.गोवा सरकारने आपल्या ताज्या प्रयत्नात या निर्णयाला आव्हान देणारी एसएलपी दाखल केली, परंतु सर्वोच्च न्यायालयाने गुरुवारी ही याचिका फेटाळून लावली आणि वादग्रस्त झोनमध्ये विकास रोखण्याच्या उच्च न्यायालयाच्या निर्णयाला दुजोरा दिला.

राज्यपालांच्या भाषणाला विरोधकांचा सभात्याग

गोवा फॉरवर्ड पक्षाचे आमदार विजय सरदेसाई हे अधिवेशनातच राहिले. त्यांनी राज्यातील कथित नोकऱ्या घोटाळे आणि जमीन हडपण्यासह विविध मृद्द्यांवर प्रकाश टाकणारे फलक हातात धरले होते. नंतर आमदार वेंझी व्हिएगस, वीरेश बोरकर, क्रूझ सिल्वा आणि कार्लोस फेरेरा सभागृहात परतले. मुख्यमंत्री प्रमोद सावंत यांनी सादर केलेल्या २०२५ च्या पहिल्या व्यवसाय सल्लागार समिती (बीएसी) अहवालालाही विरोधकांनी विरोध केला. त्यांनी असा युक्तिवाद केला की कमी केलेल्या अधिवेशनाबाबत त्यांचे लेखी आक्षेप समाविष्ट करण्यात आले नाहीत. तथापि, त्यांच्या निषेधाला न जुमानता, अहवाल आवाजी मतदानाने मंजूर करण्यात आला. नंतर माध्यमांना संबोधित करताना, आलेमाव यांनी सभात्यागाचे समर्थन केले आणि म्हटले की विरोधकांकडे उपस्थित करण्यासाठी अनेक महत्त्वाचे मुद्दे आहेत. ते विधेयके उधळत आहेत कारण त्यांच्याकडे संख्याबळ आहे. आम्हाला विधेयकांचा अभ्यास करण्यासाठी पुरेसा वेळ हवा आहे, परंतु ते पुनरावलोकनासाठी ४८ तास न देता पूरक मागण्या आणि अनेक कायदे पुढे ढकलत आहेत. बीएसी अहवालात आमचे लेखी आक्षेप देखील दर्लक्षित करण्यात आले, असे ते म्हणाले. सभागृहात मूक निषेध करण्याचा पर्याय निवडणारे सरदेसाई म्हणाले की, विरोधी सदस्यांनी वेगवेगळ्या प्रकारे निदर्शने करण्यास सहमती दर्शविली आहे. हा प्रश्न मंत्रिमंडळाचा आहे. त्यांना प्रश्नांची उत्तरे द्यायची नाहीत, म्हणूनच अधिवेशन इतके लहान आहे. राष्ट्रकुल राष्ट्रांप्रमाणेच विधानसभेच्या बैठकींसाठी एक निश्चित वेळापत्रक असले पाहिजे, असे ते म्हणाले. १ विरोधी पक्षांमध्ये एकतेचा अभाव या निषेधामूळे विरोधी पक्षांमधील समन्वयाचा अभाव देखील उघड झाला. सरदेसाई त्यांच्या फलकासह आत राहिले, तर आलेमाव वीरेश बोरकर वेंझी व्हिएगस आणि केपेचे आमदार अल्टोन डिकॉस्टा सभागृहातून बाहेर पडले, तर आलेमाव यांचे आमदार कार्लोस फेरेरा सभागृहातून बाहेर पडले.त्यांच्या निर्णयाचे समर्थन करताना आलेमाव म्हणाले, त्या क्षणी, आम्ही निषेध म्हणून सभात्याग करण्याचा निर्णय घेतला. राज्यपाल आमच्या चिंतांकडे लक्ष देत नव्हते आणि सभापतींनी आम्हाला निघून जाण्याचे निर्देश दिले. विरोधी पक्षांच्या एकतेवर प्रश्नचिन्ह उपस्थित करण्यापेक्षा सरकारच्या फूट पाडण्यावर लक्ष केंद्रित केले पाहिजे.

चाररस्ता येथे बिबट्याचे दर्शन

टीम दैनिक हेराल्ड

काणकोण, दि. ६ :चाररस्ता येथील विश्वास देसाई यांच्या घराच्या अंगणात बिबट्या वाघाने काल रात्री दर्शन दिले. घरासमोर सीसीटीव्ही कॅमेरे बसविण्यात आल्याने सदर बिबटा कॅमेऱ्यात कैद झाला आहे. या भागात आणखी तीन बिबटे लोकवस्तीत फिरतात, अशी माहिती स्थानिक नागरिकांनी दिली. वनखात्याने पिंजरा लावून या बिबट्यांना पकडण्याची मागणी होत आहे. विश्वास देसाई यांनी काणकोण वनखात्याच्या अधिकाऱ्यांना या बिबट्यांची माहिती दिली आहे.

रोणापाल ग्रामरथांचे धरणे उपोषण १५ दिवसांसाठी स्थगित : सुरेश गावडे टीम दैनिक हेराल्ड

बांदा, दि. ६ : तिलारी कालवा दुरुस्तीची कामे प्रगतीपथावर असल्याने रोणापाल ४४ किलोमीटर पर्यंत पाणी येण्यास अडचणी आहेत. मात्र येत्या १५ दिवसात पाणी रोणापाल पर्यंत पोहोचेल असे ठोस आश्वासन तिलारी कालवा विभागाचे अधीक्षक अभियंता व्ही. बी. चव्हाण यांनी दिले. त्यामूळे सुरेश गावडे यांनी पुकारलेले धरणे आंदोलन स्थगित करण्यात आल्याची माहिती त्यांनी दिली.

तिलारी कालव्याचे पाणी अद्याप रोणापाल पर्यंत न पोचल्याने शेतकऱ्यांची शेती बागायती पाण्याअभावी करपून गेली आहे. त्यामुळे कालवा विभागा विरोधात शेतकऱ्यांच्या संतप्त प्रतिक्रिया आहेत. त्यामुळे सुरेश गावडे यांनी शुक्रवार ७ फेब्रुवारी रोजी कालव्यात बसून धरणे आंदोलन करण्याचा इशारा दिला होता. या पार्श्वभूमीवर अधीक्षक अभियंता व्ही. बी. चव्हाण यांनी सुरेश गावडे यांच्या निवासस्थानी भेट देत त्यांच्याशी चर्चा केली.

तिलारी कालवा दुरुस्तीची कामे सध्या प्रगतीपथावर आहेत. त्यासाठी थोडा कालावधी द्या अशी विनंती गावडे यांना केली. येत्या पंधरा दिवसात पाणी रोणपालपर्यंत पोहोचेल, असे ठोस आश्वासनही त्यांनी यावेळी बोलताना दिले. त्यामूळे स्रेश गावडे यांनी धरणे आंदोलन पंधरा दिवसांसाठी स्थगित केल्याची माहिती दिली.

PM's speech in RS full of lies, half-truths: Congress **CHANGE IN NAME**

PTI, NEW DELHI: The Congress president said. Congress on Thursday Modi on Thursday acslammed Prime Minister Narendra Modi over his speech in the Rajya Sabha, with party chief Mallikarjun Kharge wondering how can a person who "just lives in history" build the present and the future.

The opposition party also alleged that the prime minister's speech was "full of lies and half-truths".

Kharge claimed that in the hands of this government, the "country's future is dark". Instead of talking about unemployment, inflation, economic inequality, recession, falling rupee, falling private investment and the failed 'Make in India', PM Modi kept cursing

the Congress, he said. "How can a person who just lives in history build the present and the future," the ished, he said.

cused the Congress of practising appeasement politics to get votes and asserted that the BJP-led Union government was working on the principle of 'Sabka Saath, Sabka Vikas'.

The prime minister said the Congress' priority was "family first" and its policies had been focused around it.

In a post in Hindi on X, Kharge said the first amendment to the Constitution was made so that reservation could be given to the backward classes and landlordism could be abolished.

Through this amendment, the 9th Schedule was added to the Constitution, land reforms took place and landlordism was abol-

The Congress chief said. "Through this amendment, Article 15 (4) was added to the Constitution, due to which SCs, STs, and later OBCs could get reservation in employment

He pointed out that the Congress had made its member M R Jayakar resign from Mumbai to bring Babasaheb Bhimrao Ambedkar to the Constituent Assembly.

and education."

"He (Ambedkar) became the first law minister of the country in Pandit (Jawaharlal) Nehru's government. The Congress wanted Babasaheb to reach Rajya Sabha with respect and helped him in this. Babasaheb Dr Bhimrao Ambedkar himself wrote a letter and revealed that SA Dange and Savarkar were respon-

Congress chief said, countering Modi.
