India saw zero iron ore exports in September

HARD TIMES. September and October of FY23 are the worst two-month-period for Indian iron ore traders in the last four years

Abhishek Law
New Delhi

Drying up of orders from China because of Covid related restrictions and a high duty saw Indian iron ore exports hit rock-bottom in September and October months of this fiscal. Data compiled by the Ministry of Commerce and other trade sources show there were no exports for iron ore in September, while in October sales were barely 0.13 million tonnes (mt).

September and October of FY23 are now the worst two-month-period for Indian iron ore traders in the last four years (between FY20 and FY23), data accessed by *businessline* show. In October, exports saw an 80 per cent drop y-o-y vis-a-vis last

AT A LOSS. There were no orders in September with the China market closed due to Covid

year when it stood at 0.63 mt. Export for the seven-month period (April to October) of FY23 stood at 7.1 mt;

down 64 per cent YoY. Exports for the seven-month period of FY22 was 19.53 mt. Data show FY21 has been

the best year for exports with September and October sales being 4.78 mt and 4.28 mt, respectively. The seven-

month sales were 34.40 mt. "There were no export orders in September with China market being closed because of Covid. In October, there was a slight recovery, but it is barely something to cheer about. The market condition remains depressed even in November," RK Sharma, Secretary General, Federation of Indian Mineral Industries (FIMI), said.

China is the largest buyer of iron ore from India and bought 21 mt iron ore and concentrates last fiscal, trade sources say.

DUTY BURDEN

According to Sharma, apart from China, a high export duty burden imposed here hit overseas sales and access to other markets. Low-grade offerings, which is over 90

per cent of iron ore export is the worst hit. The Centre in May raised the export tax on low-grade iron ore lumps and fines - with iron content below 58 per cent - to 50 per cent from zero. The duty on pellets was increased to 45 per cent.

"The duty has made Indian iron ore offerings very costly. Naturally, with the slowdown in metal or commodity cycle globally such costlier offerings have few to no takers," he said. Global recessionary pressures played their part, too.

I-T Dept reiterates norms that bar pharma firms from doling out freebies to doctors

Shishir Sinha
New Delhi

As the Supreme Court is expected to resume deliberations later this month on a Public Interest Litigation (PIL) related to presumably unethical practices such as offering freebies to doctors by pharmaceutical companies, the Central Board of Direct Taxes (CBDT) has underlined provisions of the Finance Act 2022 that disallows such expenses by businesses. The case hit headlines after the lawyer for the petitioner submitted in the court that the CBDT has alleged that makers of paracetamol tablet - Dolo-650 - distributed freebies worth about ₹1,000 crore to doctors as consideration for prescribing the tablet. The case is expected to be listed for next hearing on November 15.

Taxes) with Sudit K Parekh & Co, says: "This aims to clarify the intent of the legislation to avoid litigation due to mis-interpretation in the matter of allowability of expenditure incurred by an assessee for any purpose, which is an offence or which is prohibited by law." This amendment came into effect from April 01, 2022.

Basrur explained that here, expenditure means for any purpose which is an offence under, or which is prohibited by any law for the time being in force, in India or outside India. Or it could be "to provide any benefit or perquisite, in whatever form, to a person, whether or not carrying on a business or exercising a profession, and acceptance of such benefit or perquisite by such person is in violation of any law or rule or regulation or guidelines, as the case may be, for the time being in force, governing the conduct of such person."

The important thing is that there are Indian Medical Council's regulations, which prescribe a code of conduct for doctors in their relationship with pharma and allied health sector, and bar them from accepting gifts and entertainment, travel facilities, hospitality, cash, etc., which do not apply to drug companies. So, doctors' licences are cancelled for misconduct that is actuated, encouraged, aided, and abetted by pharma companies.

VARIOUS PROVISIONS
In a circular dated November 3, explaining various provisions of the Finance Act 2022, the CBDT said the legal position is clear that the claim of any expense incurred in providing various benefits is in violation of the provisions of the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002. Accordingly, the claim will be inadmissible under the Income Tax Act as such

an expense is prohibited by law. Further, some taxpayers claim deduction on expenses incurred for a purpose, which is an offence under foreign law or for compounding of an offence for violation of foreign law, claiming that provisions of "Explanation 1 to subsection (1) of Section 37 of the Act applies only to offences, which are prohibited by the domestic law of the country." This view was accepted by some benches of the Income Tax Appellate Tribunal. "These judgments are also against the intention of the legislation as the legislation does not say that Explanation 1 applies only to the violation of domestic law," the CBDT said.

CLARIFYING INTENT
To make the intention of the law clear and to make it free from any misinterpretation, another explanation was inserted into sub-section (1) of Section 37 of the Income Tax Act by the Finance Act. Explaining this, Anita Basrur, Partner (Direct

'Gaming industry set to touch \$8.6 b by 2027'

K V Kurmanath
Hyderabad

Riding on the huge fillip that it got from the pandemic, the gaming industry has finally arrived. The industry, which faced a bleak future with not many people willing to pay to play, has registered revenues of \$2.6 billion this year.

The number of gamers went up to 507 million from 450 million in the previous year. "It is set to reach \$8.6 billion in the next five years, growing at a CAGR of 27 per cent," Salone Sehgal, Founding General Partner of Lumikai, told *businessline*.

Lumikai, a venture capital fund focusing on the gaming and interactive media industries, has released the first look 'State of India Gaming FY 2022' at the India Game Developers Conference (IGDC) Summit inaugurated here on Wednesday.

Interestingly, the revenue from non-real money game segment constituted nearly 50 per cent. "The in-app purchase segment is the fastest growing segment among the revenue drivers," she said.

"Mid-core games like Free Fire were the fastest growing gaming category, registering a growth of 32 per cent and with an aggregate revenue of \$550 million," she said.

The gaming companies in the country are on track to raise \$513 million during the FY22-23. "Web3 emerged as an increasingly popular technology in games, with 30 per cent of 450 Indian Web3 companies operating in gaming. About 80 per cent of gamers show interest to play games based on Indian intellectual property."

फातोडा, ता. ६ (प्रतिनिधी) : काही कंपन्यांच्या निष्काळजीपणामुळे खलाशांना भेडसावणाऱ्या समस्या गोवा सीमेन असोसिएशन ऑफ इंडियाने शिपिंग अधिकाऱ्यांच्या निदर्शनास आणून दिल्या. संघटनेचे अध्यक्ष फ्रँक व्हिएरस यांनी मुंबईत शिपिंग मास्टर मुकूल दत्ता, साहाय्यक शिपिंग मास्टर बिनिश वर्मा आणि मुख्य प्रशासक एच. एस. बोवलेकर यांची भेट घेऊन चर्चा केली व खलाशांना त्यांचे हक्क मिळावेत आणि तक्रारीचे निवारण करावे, अशी मागणी केली. व्हिएरस यांनी दिलेल्या माहितीनुसार, भारतीय खलाशांसाठी स्वतंत्रपणे उपलब्ध असलेली तक्रार निवारण यंत्रणा मजबूत असली पाहिजे. यापुढे खलाशांनी आपल्या तक्रारी स्थानिक शिपिंग मास्टरच्या कार्यालयात नोंदवल्यात, असे आवाहन करण्यात आले आहे.

नॅशनल फिश वर्कर फोरमने दिला इशारा

कुडळी, ता. ६ (वार्ताहर) : नॅशनल फिश वर्कर फोरमने सीआरझेड २०१९ अधिसूचनेत विशेष सुधारणा सूचित केल्याबद्दल पर्यावरणमंत्री नोलेश काब्राल यांच्यावर टीका केली आहे. गोव्यातील संपूर्ण किनारीपट्टी आणि किनारी पर्यावरणाचा न्हास होण्याची भीतीही व्यक्त केली आहे. फोरमचे सरचिटणीस ओलांन्सियो सिमाईश यांनी म्हटले आहे की, समुद्र किनाऱ्यावरील वाळू उखनास परवानगी देण्यात आल्यास मासे प्रजनन क्षेत्र वाळणे आणि खास करून मासेमारी प्रभाग क्षेत्रात व्यावसायिक प्रकल्पना मान्यता दिल्यास केवळ मासेमारीवरच परिणाम होणार नाही तर राज्यातील सर्व समुद्रकिनारे व गावे पाण्याखाली जातील. यासाठी त्यांनी केरळमधील अल्लापुझा जिल्ह्याचे उदाहरण दिले आहे.

मुबलक लागवड : १०० किलो बियांची विक्री; रासायनिक खतांना फाटा, सेंद्रीय पद्धतीचा अवलंब

सत्तरीत मिळणार स्वस्त, मस्त भाजी!

सपना सामंत

वाळपई, ता. ६ : सत्तरी ही कृषीप्रधान तालुका. पण अलीकडच्या काही वर्षांत शेती, भाजीपाला लागवडीकडे शेतकऱ्यांचे दुर्लक्षच झाले होते. कमी दिवसांत जास्त नफा मिळवून देणारे पीक म्हणजे भाजीपाला होय. योग्य नियोजन करून भाजीपाला लागवड आणि काढणी केल्यास त्यातून चांगला नफा मिळू शकतो. म्हणून आता सत्तरी तालुक्यात मोठ्या प्रमाणात भाजीपाला लागवड करण्यात येत आहे. गेल्या वर्षाच्या तुलनेत यंदा वाळपई कृषी खात्याच्या कार्यालयातून आतापर्यंत सुमारे १०० किलोवर बियांची विक्री झाली आहे.

महागाई दिवसेंदिवस वाढत आहे. साहजिकच भाजीपालाही महागला आहे. काही लोक रासायनिक खतांचा वापर करून भाजीपाला पिकवतात व टिकवतात. हे हानिकारक रसायन आपल्या शरीरात जाऊन अनेक आजार होतात. त्यामुळे आता

समाजात जनजागृती केली जात असून शेतकऱ्यांचा विशेषतः युवकांना ओढा सेंद्रीय पद्धतीने भाजीपाला लागवडीकडे आहे. ते एक स्वयंरोजगारचे साधन बनले असून मुज्याला दैनंदिन आहारात लागणारा महत्त्वाचा घटक आहे.

ऑक्टोबरच्या शेवटच्या आठवड्यापासून कृषी कार्यालयात बियांची विक्री करण्यात सुरुवात केली आहे. यंदा १५० किलो बियाणे कृषी कार्यालयात आले होते. त्यातील १००

किलोवर बियाण्यांची विक्री झाली असून उर्वरित लवकरच संपण्याची शक्यता आहे. तसेच शेतकऱ्यांच्या मागणीनुसार बियाण्यांची आयात केली जाईल. यंदा सत्तरीत सुमारे १० हेक्टर जमिनीत भाजीपाल्याची

युवकांनी शेतीकडे वळावे : दिव्या राणे

सत्तरी हा कृषीप्रधान तालुका आहे. येथील युवकांनी सरकारी नोकरीच्या मागे न लागता कृषी क्षेत्राकडे वळावे. त्यामुळे ते स्वावलंबी बनतीलच शिवाय आपली कृषी संस्कृती टिकून राहण्यासही मदत होईल. आता सरकारतर्फे कृषी क्षेत्राच्या विकासासाठी विविध योजना राबविण्यात येत आहेत.

त्याचा फायदा गरजू शेतकऱ्यांनी करून घ्यायला हवा. सत्तरीतील शेतकरी मेहनती आहेत. त्यामुळे त्यांना योग्य बाजारपेठ मिळण्यासाठी आपण सर्वांनी सहकार्य केले पाहिजे, असे आवाहन पर्यटन आमदार तथा वनविकास महामंडळाच्या अध्यक्षा डॉ. दिव्या राणे यांनी केले आहे.

सत्तरीत यंदा मोठ्या प्रमाणावर भाजीच्या बियांची विक्री झालेली आहे. तसेच प्रत्येक बियांवर ५० टक्के सवलत असल्याने शेतकऱ्यांकडून चांगला प्रतिसाद मिळतोय. अजूनही कृषी खात्यात बिया उपलब्ध आहेत. सरकारच्या विविध योजनांचा फायदा शेतकऱ्यांनी करून घ्यायला हवा. तसेच काही समस्या, अडचणी आल्यास कृषी कार्यालयाशी संपर्क साधावा. - विश्वनाथ गावस, वाळपई कृषी अधिकारी

लागवड करण्यात येईल. मागच्या काही वर्षांच्या तुलनेत यंदा शेतकऱ्यांचा चांगला प्रतिसाद मिळत आहे. गोव्यात बेळगावातून भाजीची आयात केली जाते. मात्र दरच चढेच असतात. आता सत्तरीत पालेभाजीची लागवड वाढल्याने स्थानिकांना स्वस्त दरात ताजी भाजी मिळणार आहे. कृषी खात्यातर्फे बियांवर ५० टक्के सवलत देण्यात येत आहे. ही शेतकऱ्यांना प्रोत्साहन देणारी बाब मानली जातेय.

World's largest gathering opens with degree of climate urgency

Ambition to curb greenhouse gas emissions are inadequate

Indo-Asian News Service
Sharm El-Sheikh (Egypt)

World's largest annual gathering of leaders for the UN Climate Change Conference COP27 opened on Sunday with the key aim of ensuring full implementation of the Paris Agreement.

Discussions at COP27 begin near the end of a year that has seen devastating floods and unprecedented heat waves, severe droughts and formidable storms, all unequivocal signs of the unfolding climate emergency.

At the same time, millions of people throughout the world are confronting the impact of simultaneous crises in energy, food, water and cost of living, aggravated by severe geopolitical conflicts and tensions.

In this adverse context, some countries have begun to stall or reverse climate policies and doubled down on fossil fuel use.

Participants gather on the first day of the COP27 climate summit at the Sharm El Sheikh International Convention Centre on Sunday. **AFP**

COP27 is also taking place against the backdrop of inadequate ambition to curb greenhouse gas emissions. According to the UN's Intergovernmental Panel on Climate Change, CO2 emissions need to be cut 45% by 2030, compared to 2010 levels to meet the central Paris Agreement goal of limiting temperature rise to 1.5 degrees Celsius by the end of this century.

This is crucial to avoid

the worst impact of climate change, including more frequent and severe droughts, heatwaves and rainfall.

A report published by UN Climate Change ahead of COP27 shows that while countries are bending the curve of global greenhouse gas emissions downward, efforts remain insufficient to limit global temperature rise to 1.5 degrees Celsius by the end of the century.

Last 8 years warmest on record: WMO

Press Trust of India
New Delhi

The global mean temperature in 2022 is estimated to be 1.15 degree Celsius above the pre-industrial (1850-1900) average, likely making the eight years from 2015 the warmest on record, the World Meteorological Organisation said in a report on Sunday.

The report titled 'WMO Provisional State of the Global Climate 2022' released at the 27th Conference of Parties to the UNFCCC on Sunday stated that the rate of sea level rise has doubled since 1993 and has risen by nearly 10 mm since January 2020 to a new record high this year. The figures used in the provisional 2022 report are till the end of September this year.

Twitter to let users post long-form tweets: Musk

Indo-Asian News Service
New Delhi

Elon Musk on Sunday said that Twitter will soon add the ability to attach long-form text to tweets, along with creator monetisation for all forms of content.

In a series of tweets, the new Twitter CEO said that more details about these features will be revealed in the next two weeks.

"Twitter will soon add the ability to attach long-form text to tweets, ending the absurdity of notepad screenshots," Musk told his over 114 million followers.

The feature will be like Twitter Notes where people will be able to post longer tweets than the current 280-character limit. It will be "followed by creator monetisation for all forms of content," he posted.

A Twitter follower asked Musk: "Will people be able to subscribe/donate to pieces of writing like this?"

Musk replied: "Absolutely".

"We definitely need to incentivise people to do a lot more interactions on Twitter," said the world's richest man who has taken on the company, firing almost 50% of its workforce.

On creator monetisation, a user said that YouTube gives creators 55% of ad revenue, to which Musk replied: "We can beat that".

Gurbaksh Singh Chahal, CEO of on-demand manufacturing and procurement platform ProcureMet, asked Musk: "For, @TwitterBlue it will now do 42-minute chunks at 1080 resolution, allowing you to break up a longer video. According to @ElonMusk, the 42-minute time limit will be implemented next month".

Imran Khan-led march to resume today

Press Trust of India
Lahore

Imran Khan on Sunday announced that his party will resume the march to Islamabad from the same spot where he survived an assassination attempt but sustained bullet injuries during a rally in Punjab province, saying he prefers "death instead of living the life of a slave".

The 70-year-old former prime minister and chairman of the Pakistan Tehreek-e-Insaf (PTI) party, who underwent surgery for bullet injuries on Thursday was addressing a press conference from the Shaukat Khanum Hospital owned by his charitable organisation.

"We have decided that our march will resume on Tuesday from the same [point] in Wazirabad where I and

11 others were shot, and where Moazzam was martyred," Khan said. PTI worker Moazzam Gondal died due to bullet injuries during the attack on Khan. The rally was suspended after the attack.

"I will address the march from here (in Lahore), and our march, within the next 10 to 14 days, depending on the speed, will reach Rawalpindi," Khan said. The PTI chief said once the march reaches Rawalpindi, he would then join it and lead it himself.

In a veiled reference to the powerful military establishment, Khan said: "They (military establishment) want to instill fear among us. But let me tell you...We will not budge from our stance and are ready to sacrifice our lives for real freedom. I prefer death instead of living the life of a slave."

Tornadoes hit Texas, Oklahoma

Associated Press
Idabel

Residents in southeastern Oklahoma and northeastern Texas began assessing weather damage Saturday, working to recover and thankful to have survived after a storm stretching from Dallas to northwest Arkansas spawned tornadoes and produced flash flooding, killing at least two people, injuring others and leaving homes and buildings in ruins.

Oklahoma Governor Kevin Stitt went to the town of Idabel to see the damage. He said on social media that all the homes had been searched and a 90-year-old man was killed. Keli Cain, spokesperson for the state's Department of Emergency Management, said the man's body was found at his home in the Pickens area of McCurtain County, about 36 miles (58 kilometers) north of Idabel.

Pope: female genital mutilation must stop

Associated Press
Aboard The Papal Plane

Pope Francis called female genital mutilation a "crime" on Sunday and said the fight for women's rights, equality and opportunity must continue for the good of society.

"How is it that today in the world we cannot stop the tragedy of infibulation of young girls?" he asked, referring to the ritual cutting of a girls' external genitalia.

"This is terrible that today there is a practice that humanity isn't able to stop. It's a crime. It's a criminal act," he said.

Pope Francis was responding to a question about women's right en route home from Bahrain. He was asked whether he supported the protests in Iran sparked by the death in custody of 22-year-old Mahsa Amini, who was detained by morality police after allegedly violating the country's strict dress code for women.

Pope Francis didn't directly respond, but gave a lengthy denunciation of how women in many cultures around the world are treated as second-class citizens or worse and said: "We have to continue to fight this because women are a gift."

"God ... Created two equals: man and woman," the Pope said.

Pope Francis has done more than any Pope to give more decision-making roles to women in the church.
