for not filing GST returns for the month of July 2017 is upsetting Goa's dealer community.

"The notices have been served to us even though we pay GST," said a dealer to The Navhind Times, on Monday and added that the notices have been issued senselessly without verifying whether returns are filed or not.

"Even composition dealers who are required to file quarterly returns have got such notices while some dealers who registered as late as September 2017 received notices for not pay-

Nazara Technologies announces investment by ESL

MUMBAI: Nazara Technologies Limited (Nazara) announced that ESL, one of the world's largest Esports company has invested for a minority stake in the Indian company. Founded in 2000, ESL runs amateur to professional leagues, ranging from online tournaments through major global mega stadium events in venues around the world, distributing its content and original programming across digital and linear channels, including Facebook, Twitter, Twitch, Sony Vue, Disney XP, and Hulu. Additionally, ESL has signed a license agreement with NODWIN Gaming, the pioneer of esports in India (source: F&S report), which was recently acquired by Nazara Technologies. As part of this, NODWIN Gaming secures multi-year exclusive licensing rights for the ESL system and ESL community platform for organising and operating ESL competitions in India. It also secures media distribution rights of ESL global content to local linear and digital platforms in Indian subcontinent.

Most of them do not file the returns themselves but outsource the job to consultants.

A consultant said that he is troubled by questions from his clients although the GST returns were filed on time. "If such careless notices are being served to dealers they will not take GST communication seriously in future," said the president of Goa Tax Practitioners Association. Rajendra Narvekar.

Dealers across the country are being served notices for not paying GST on time. However, a senior official

have already filed the returns.

"The notices are meant for non-compliant dealers," said the official.

GST collections have picked up in the last three months after being slow until October 2017.

The Goa government is expecting revenue growth from GST at five-seven per cent in the current year 2017-18.

Tax collection for the month of January had touched Rs 112 crore, of which Rs 65-70 crore was the share of the centre by way of Central GST.
