A deal is set to be announced as early as next week, the sources added. ShareChat's parent company, Mohalla Tech, did not respond to a request for

World Bank plans to disburse \$700 million to crisis-hit Sri Lanka

PRESS TRUST OF INDIA
Colombo, May 30
World Bank plans to disburse \$700 million to crisis-ridden Sri Lanka by re-purposing its existing loans, a move that will help the island nation grappling with

an unprecedented economic crisis the much-needed breathing space till a bailout package with the IMF is worked out, said media reports on Monday. Sri Lanka is nearing bankruptcy and has severe shortage of essen-

tials. World Bank Country Manager Chiyo Kanda met Sri Lankan Foreign Minister last week, and assured him that the agency would work with the ADB, AIIB and the UN office to "re-purpose their already committed pro-

Edtech start-up FrontRow lays off 30% of workforce...

YATTISONI
Bengaluru, May 30
Edtech start-up FrontRow has laid off about 150 employees, which is 30 per cent of its 500-strong team.

Around 95 per cent of the layoffs are said to be in sales, though some people in HR, operations and quality functions have also been affected.

Speaking to BusinessLine, FrontRow founder Ishaan Preet Singh said: "Given the market conditions we've prioritised increasing efficiency through higher automation and focusing on profitable channels."

Was on hiring spree
FrontRow has a 350-member team currently and a runway of almost 24 months after the ra-

tionalisation. A source close to the development, who did not want to be identified, said the company had been aggressively hiring in sales.

"Until April 2022, the company was hiring almost 150-200 Business Development Associates each week in sales roles. In April, the hiring rate

slowed down to 50-60 sales hires per week, and eventually 30-40 hires in a week," the source added.

Hence, many of the laid off employees were recent hires. In some cases, they had barely completed a month before being laid off.

A second source said: "I joined last month and was promised a high salary and weekly incentives (5-7 per cent) on sales, but I haven't got a single incentive till date."

To this, Singh said "there might be a couple of cases where this might have happened, and in those cases, we will work it out. Incentives are expected to be closed in a couple of weeks. The severance package is also on a case-to-case

basis because some of the folks were still on probation."

"Our mission remains the same - enabling everyone to learn what they love. To ensure that we achieve that goal over the next decades and that we have over 24 months of runway to keep iterating and improving on our core business, we had to take a few difficult prioritisation decisions over the past few weeks," he added.

The company still continues to hire a few people in its core functions, but Singh said there will not be massive hiring.

In September 2021, FrontRow raised \$14 million in funding from Eight Roads Ventures, GSV, along with angels such as Gaurav Munjal, Kunal Shah, Vishal Dadlani, and Raftaar.

Plans to wind down its streaming and Indonesia business

YATTISONI
Bengaluru, May 30
Mobile eSports unicorn Mobile Premier League (MPL) will lay off 100 people from its almost 1,000-strong team, and wind down its Indonesia business and streaming product.

In an internal e-mail, MPL co-founders Sai Srinivas and Shubh Malhotra, said: "We have made the decision to wind down our Indonesia operations and shut down the streaming product on the MPL app. We have invested

significant resources and capital over the last three years into our Indonesian operations. However, the return profile of Indonesia is several multiples lower than what we were and are seeing in India, or even in our nascent US business."

They added that while the company believes in the long-term value of streaming, the current business metrics do not justify further investments into this unit. MPL plans to redouble its efforts on the other, more promising areas of its business.

Core business
Over the last few months,

MPL has been focussed on using its cash reserves to grow core business while achieving EBITDA-neutrality, investing in areas that can drive massive outcomes such as Mayhem and MPL US, along with winding up businesses that are not working.

The company is now aiming to reach EBITDA-neutral by December. According to the e-mail, all laid off employees will be given severance and benefits. In addition to this, ESOP holders will be given an opportunity to hold on their options for an additional 10 years and their

health insurance will be extended till October. These employees can also avail the mental health benefits for an extended period.

"We are one of the few Internet companies which, within four years of inception, will cross \$100 million of annual net revenue globally. On a gross revenue basis, we will be at \$220-250 million in year ending March 2023. In fact, we have a massively growing market ahead of us, but in order to capture it, we need to be willing to operate more efficiently today," the co-founders added.

Google backs ShareChat in \$300-m funding round at a valuation of \$5 b

'Investment shows appetite for the short-video sector'

REUTERS
New Delhi, May 30
The parent company of India's ShareChat has raised nearly \$300 million in fresh funding from Alphabet Inc's Google, media giant Times Group and Singapore's Temasek Holdings, valuing the social-media firm at nearly \$5 billion, said two sources involved in the deal discussions. A deal is set to be announced as early as next week, the sources added. ShareChat's parent company, Mohalla Tech, did not respond to a request for

comment. Google and Temasek did not immediately respond to requests for comment, while Reuters could not immediately reach the Times Group.

This is Google's second key investment in India's short video space, having previously backed Josh, which competes with ShareChat's sister firm Moj.

Bearish market
Google's investment in a bearish market for Indian start-ups shows the appetite for the short-video sector and the start-up's investment thesis, said one of the sources. India's tech start-ups, which raised a record \$35 billion in new funds in

clash with China. ShareChat currently has 180 million monthly active users. Moj, along with Mohalla's recently acquired MX TakaTak, has a combined user base of 300 million, according to one of the sources.

ShareChat was last valued at \$3.7 billion in a \$266 million funding round from investors, including Alkeon Capital and Temasek. The firm also counts Twitter and Snap among its investors.

If the bid by Tesla CEO Elon Musk to buy Twitter goes through, Musk will have potentially a stake of between 6 per cent and 8 per cent in ShareChat, the source added.

2021, have been struggling to raise funds as corporate governance concerns loom large for investors facing a new uncertainty in global markets. Short-video apps like Moj and Josh shot up in popularity after India, in 2020, banned ByteDance's TikTok and some other Chinese apps following a border

World Bank plans to disburse \$700 million to crisis-hit Sri Lanka

PRESS TRUST OF INDIA
Colombo, May 30
World Bank plans to disburse \$700 million to crisis-ridden Sri Lanka by re-purposing its existing loans, a move that will help the island nation grappling with

an unprecedented economic crisis the much-needed breathing space till a bailout package with the IMF is worked out, said media reports on Monday. Sri Lanka is nearing bankruptcy and has severe shortage of essen-

tials. World Bank Country Manager Chiyo Kanda met Sri Lankan Foreign Minister last week, and assured him that the agency would work with the ADB, AIIB and the UN office to "re-purpose their already committed pro-

jects", a news portal reported. "Minister Peiris sought assistance from the World Bank until long-term assistance materialises through the IMF, other international institutions and donor countries," said the report.

Edtech start-up FrontRow lays off 30% of workforce...

YATTISONI
Bengaluru, May 30
Edtech start-up FrontRow has laid off about 150 employees, which is 30 per cent of its 500-strong team.

Around 95 per cent of the layoffs are said to be in sales, though some people in HR, operations and quality functions have also been affected.

Speaking to BusinessLine, FrontRow founder Ishaan Preet Singh said: "Given the market conditions we've prioritised increasing efficiency through higher automation and focusing on profitable channels."

Was on hiring spree
FrontRow has a 350-member team currently and a runway of almost 24 months after the ra-

tionalisation. A source close to the development, who did not want to be identified, said the company had been aggressively hiring in sales.

"Until April 2022, the company was hiring almost 150-200 Business Development Associates each week in sales roles. In April, the hiring rate

slowed down to 50-60 sales hires per week, and eventually 30-40 hires in a week," the source added.

Hence, many of the laid off employees were recent hires. In some cases, they had barely completed a month before being laid off.

A second source said: "I joined last month and was promised a high salary and weekly incentives (5-7 per cent) on sales, but I haven't got a single incentive till date."

To this, Singh said "there might be a couple of cases where this might have happened, and in those cases, we will work it out. Incentives are expected to be closed in a couple of weeks. The severance package is also on a case-to-case

basis because some of the folks were still on probation."

"Our mission remains the same - enabling everyone to learn what they love. To ensure that we achieve that goal over the next decades and that we have over 24 months of runway to keep iterating and improving on our core business, we had to take a few difficult prioritisation decisions over the past few weeks," he added.

The company still continues to hire a few people in its core functions, but Singh said there will not be massive hiring.

In September 2021, FrontRow raised \$14 million in funding from Eight Roads Ventures, GSV, along with angels such as Gaurav Munjal, Kunal Shah, Vishal Dadlani, and Raftaar.

...Mobile Premier League joins list by laying off 100

Plans to wind down its streaming and Indonesia business

YATTISONI
Bengaluru, May 30
Mobile eSports unicorn Mobile Premier League (MPL) will lay off 100 people from its almost 1,000-strong team, and wind down its Indonesia business and streaming product.

In an internal e-mail, MPL co-founders Sai Srinivas and Shubh Malhotra, said: "We have made the decision to wind down our Indonesia operations and shut down the streaming product on the MPL app. We have invested

significant resources and capital over the last three years into our Indonesian operations. However, the return profile of Indonesia is several multiples lower than what we were and are seeing in India, or even in our nascent US business."

They added that while the company believes in the long-term value of streaming, the current business metrics do not justify further investments into this unit. MPL plans to redouble its efforts on the other, more promising areas of its business.

Core business
Over the last few months,

MPL has been focussed on using its cash reserves to grow core business while achieving EBITDA-neutrality, investing in areas that can drive massive outcomes such as Mayhem and MPL US, along with winding up businesses that are not working.

The company is now aiming to reach EBITDA-neutral by December. According to the e-mail, all laid off employees will be given severance and benefits. In addition to this, ESOP holders will be given an opportunity to hold on their options for an additional 10 years and their

health insurance will be extended till October. These employees can also avail the mental health benefits for an extended period.

"We are one of the few Internet companies which, within four years of inception, will cross \$100 million of annual net revenue globally. On a gross revenue basis, we will be at \$220-250 million in year ending March 2023. In fact, we have a massively growing market ahead of us, but in order to capture it, we need to be willing to operate more efficiently today," the co-founders added.

UK's new HPI student visa route to benefit Indians

New system is aimed at attracting 'best and brightest' talent from around the world, say UK ministers

PTI, LONDON: Graduates from the world's top 50 non-UK universities, including Indian students, can now come and work in Britain through a new High Potential Individual (HPI) visa route launched in London on Monday.

In a joint announcement, Indian-origin UK Cabinet ministers Rishi Sunak and Priti Patel said the new "exciting" category under the post-Brexit points-based system is aimed at attracting the "best and brightest" talent from around the world, regardless of nationality.

Successful applicants will be given a two-year work visa, with a three-year visa offered to those with a PhD, without the need for a specific job offer in hand.

"This new visa offer means that the UK can continue to attract the best and brightest from across the globe," said Chancellor Rishi Sunak.

"The route means that the UK will grow as a leading international hub for innovation, creativity and entrepreneurship. We want the businesses of tomorrow to be built here today - which is why I call on students to take advantage of this incredible opportunity to forge their careers here," he said.

"The UK is already home to some of the most ground-breaking start-ups, on the forefront of R&D and an incredibly diverse and exciting place to

live - come and join in," added UK-born Sunak, himself an MBA from Stanford University in the US.

Under the new route, the world's top graduates in subjects such as science, engineering and medical research will be encouraged to bring their skills to the UK after graduating from prestigious universities such as Harvard, Stanford and MIT.

"I am proud to be launching this new and exciting route as part of our points-based immigration system which puts ability and talent first - not where someone comes from," said UK Home Secretary Priti Patel.

"This government is delivering for the British people by bringing in the high skills and talent our country and businesses need," she said.

सर्वजनिक बांधकाम खात्याचे सहाय्यक अभियंता अल्लबक्ष कुंडगल यांनी दिली होती. प्रमुख पाहुणे म्हणून वाहतूक, उद्योग, पंचायतमंत्री माविन गुदिन्हो, कृषिमंत्री रवी नाईक, सार्वजनिक बांधकाम मंत्री निलेश कात्राल, जलसंधारण मंत्री सुभाष शिरोडकर, कला व संस्कृती मंत्री गोविंद गावडे, वीजमंत्री सुदिन ढवळीकर, समाज कल्याण मंत्री सुभाष फळदेसाई, राज्यसभा खासदार विनय तेंडुलकर हे उपस्थित राहणार आहेत. हा संवाद कार्यक्रम दक्षिण गोवा जिऱ्हाधिकारी कचेरी व प्रामाण विकास एजन्सी (दक्षिण गोवा) यांच्यातर्फे आयोजित करण्यात आला आहे.

विनयभंगप्रकरणी कराटे प्रशिक्षकाच्या अटकपूर्व जामिनावर २ रोजी सुनावणी

पणजी, ता. ३० (प्रतिनिधी) : बार्देश तालुक्यातील एका अल्पवयीन मुलीचा विनयभंग केल्याप्रकरणी संशयित कराटे प्रशिक्षकाने सादर केलेल्या अटकपूर्व जामीन अर्जावरील सुनावणीवेळी पोलिसांनी दिलेल्या उत्तराला प्रत्युत्तर देण्यासाठी वेळ मागितल्याने ही सुनावणी आता येत्या गुरुवारी २ जूनपर्यंत पुढे ढकलण्यात आली आहे.

आहे. त्याला अटकपूर्व जामीन मिळाल्यास तपासकामात अडचणी येऊ शकतात. त्याच्या या कृत्याने पीडित मुलगीही भयभीत झाली आहे. या प्रकरणाचे पुरावे जमवण्याचे तसेच तपास काम प्राथमिक टप्प्यात आहे. त्यामुळे त्याला अटकपूर्व जामीन दिला जाऊ नये अशी बाजू मांडण्यात आली आहे. पणजी महिला पोलिसांनी संशयिताविरुद्ध भादं२ कलम ३५४ तसेच बाल

कायद्याच्या कलम ८(२) व पोक्सो कायद्याखाली गुन्हा नोंद केला आहे. त्याच्याविरुद्ध दाखल झालेले गुन्हे अजामीनापत्र असल्याने त्याची अटक अटळ आहे. पीडित मुलीची जवानी सामाजिक संस्थेच्या पदाधिकाऱ्यांच्या मदतीने नोंदवण्यात येत आहे. संशयिताची पत्नी व त्याच्या कुटुंबियांशी संपर्क साधण्यात आला मात्र त्यांचा ठावठिकाणा माहीत नसल्याचे सांगण्यात आल्याचे पोलिसांनी सांगितले.

पोलिसांनी दिलेल्या माहितीनुसार, संशयित प्रशिक्षक हा पत्नीसोबत वेगळा राहतो. त्याच्या घरी तसेच मूळ घरीही शोष घेण्यात आला मात्र सापडला नाही. त्याच्या अर्जाला उत्तर देण्यात आले आहे. त्याने केलेला गुन्हा गंभीर स्वरूपाचा आहे. पीडित मुलीला त्याने ज्या अश्लील चित्रफिती दाखवल्या तसेच त्याने विनयभंग केल्याने या प्रकरणाची सखल चौकशी करण्याची आवश्यकता आहे. प्रशिक्षक असल्याने पीडित मुलीच्या पालकांनी त्याच्यावर विश्वास ठेवून मुलीला कराटे प्रशिक्षणासाठी पाठवले मात्र त्याचा गैरफायदा घेतला. घटनेची माहिती कळताच तो फरारी झाला
